CROZIER WILL BOX F. TUCKER TURKEY DAY

Fromsters at Breckenridge, Tex., are after "Dutch" Crozier, El Paso lightweight fighter, to box Frankie Tucker there on Thanksgiving day. An attractive offer has been wired Nicholas Solitto, manager of Crozier, for the contest and it is probable that the El Paso boy, who has been doing consistent training for some time, will accept the match.

Crozier boxed with Perry Lewis Thursday afternoon and appeared to be in the best of condition. He is anxious to get back into the condition which featured his work on the Pacific coast about 18 months ago and from now on intends to take on the best boys of the southwest. He is awaiting for a return match with Tommy Carter at San Antonio, Fort Worth or some other eastern point.

LEVINSON LOSES CHANCE.
London, Eng., Nov. 13.—The match planned for Pauline Levinson and Joe Barrett for a purse of \$25,000 has been called off because Levinson lost to Carpenter in the United States.

Tech Star May Be On All American

James Barron of Clarksville, Ga., better known as "Red" Barron, the star back on the Georgia Tech eleven, is being latched to the school by southern sports as a logical candidate for a place on Walter Camp's all-American first team. He broke his jaw in the game with Vanderbilt three weeks ago, but has continued his practicing with the team and has since played in both the pitball and Centre games, with his jaw tightly strapped in wire supports and bandages. Fully as remarkable is the fact that, since the fracture, he has eaten only liquid foods, yet has conserved his strength. Against Centre he played all of the first and fourth quarters and part of the second, and in the second period, he ran around and for a 47-yard sprint that gave Georgia Tech its first touchdown. Glen Warner of the Panthers is quoted as saying to Barron, "You are one of the greatest halfbacks appearing on Forbes Field in ten years."

Tommy Carter Defeats Kleck

Tommy Carter, El Paso lightweight star, defeated Billy Kleck of Fort Worth in three rounds Wednesday night at San Antonio, but the verdict was awarded Kleck upon a technicality, according to word received here by Carter's friends. Carter knocked Kleck from the ring in the third round with a right to the jaw but the referee ruled that he was thrown down and the verdict was unpopular and Carter retained his practice with the fans.

Carpenter To Be Backed Heavily

The all-absorbing topic these days is the Dempsey-Carpenter match. The Frenchman has returned home and will remain there, where he expects an addition to the Carpenter household, until notified the date and place of battle with the American champion. Mention has been made of Cuba, Mexico and Canada as places where the battle may be held, but when you get down to brass tacks it looks as though New York will be the real battle ground.

Amateur Billiard Champ Helps Game Detroit, Mich., Nov. 13.—Percy N. Collins is making a beginning with the University of Michigan at Ann Arbor, Mich. There the student body has established a room having 14 tables, with Al Taylor, the professional, as instructor and coach. Y., Nov. 13.—Manager Robinson of the Dodgers does not take kindly to the proposed plan to prevent major ball players from betting on their own team or on horse races or other events. "The guy who bets against his own club is the real dangerous bird, and one who should be dropped, but I can see no harm in a player placing a small wager on his own team," he said. Robinson says he bets on horse races or boxing contests at every opportunity and says he derives much pleasure from it. Under the provisions of the new Swedish marriage law, the wife is compelled to help support the family.
